RE: Arizona Public Service Company's Application for Authorization for the Purchase of Generating Assets from Southern California Edison;  
Docket No E-01345A-10-0474

In Decision No. 73130, dated April 24, 2012, the Commission ordered that:

Arizona Public Service Company shall file each January with Docket Control, as a compliance item in this Docket, an annual status report for each preceding calendar year, of all matters related to the deferrals, and the cumulative costs thereof, with the first such report due not later than January 31, 2013.

The acquisition of Southern California Edison's share of Four Corners Units 4 and 5 has not been consummated as of January 29, 2013. Because the deal has yet to close, there is no status update to be made regarding the cumulative costs of deferrals associated with the acquisition. In the event the transaction occurs during 2013, the next status report will be filed no later than January 31, 2014.

If you have any questions regarding this information, please contact Zachary Fryer at (602)250-4167.

Sincerely,

Jeffrey W. Johnson
